

Wonder Project

Water Challenge

Activity 5.1: Improve

Improve your wai network before you join the journey.

Take another look at everything you've learned across the challenge. Then write down what you could improve and how.

What we've learned about the mauri of wai:

What we've learned about gravity:

What we've learned about Manning's equation:

We can use this information to improve our wai network by:

We can use this information to improve our wai network by:

We can use this information to improve our wai network by:

Now you can improve your wai network. Karawhiua!
